Concrete	14
Lead	18
Charcoal Grey	22
Colour Chart	26

The colours combinations of the following pages just represent one proposal among the endless possibilities offered by Rio Verde coatings range.

Floor Prestige is the coating range to be used to renovate floorings. Five neutral shades to renovate independently the look of your house, according to the contemporary mood. Floor Prestige is the hi-tech coatings range for ceramic, stoneware, stone, concrete, cotto tiles and wood floorings. Extremely resistant to foot traffic and abrasion, it is also suitable for surfaces with high traffic. The proposed shades fit every colour already existing in neutral warm and cold rooms. The colours can be perfectly matched with delicate nuances of neutral matters, as well as with the more intense tones of furniture.

# DOVE GREY

The refined Dove Grey is a fixed element in furniture and fashion fields. It's easy to match and never ordinary. Dove Grey total look recalls the wooden structure, the raw linens and the natural matters. It's the shade for those who dare dress their home with a no-time trend and surround themselves with a warm atmosphere.

# Renovate the living area

Floor Prestige over a ceramic floor  
but also over wooden furniture  
and wallpaper walls

The high covering power and the refined aesthetic effect  
of Floor Prestige range enhance every support, such  
as this living room, hyper-coordinated according to  
Dove Grey mood.

# PAPYRUS

Plunging into the warm white of Papyrus shade, the room becomes hyper-sophisticated. Timeless angelic whiteness, perfect to renovate modern and classic interiors: Papyrus is an enlightening message for those who are searching for a reconciling balance.

# Renovate the children bedroom

Floor Prestige over a wood flooring  
but also over stoneware, ceramic  
and concrete

Floor Prestige mat effect gives smoothness and comfort  
even to the rooms for the youngest, such as to this room,  
coloured according Papyrus mood.

before

after

# CONCRETE

Floor Prestige Concrete shade interprets industrial style in a new delicate and embracing way. It is a trendy alternative to the world of whites. The homogeneity of light warm grey transforms concrete into an elegant and smooth surface.

# Renovate the bedroom

Floor Prestige over a wood flooring  
but also over stoneware  
and metal accessories

Floor Prestige is a silky and solid topcoat for a long-lasting  
treatment, such as in the case of this bedroom, composed  
according to Concrete mood.

# LEAD

Floor Prestige Lead colour is a decisive choice, flanking pastel colours with personality. Middle grey shade is suitable for both urban and natural backgrounds. This colour adorns with modernity traditional matters, such as wood, stoneware and stone.

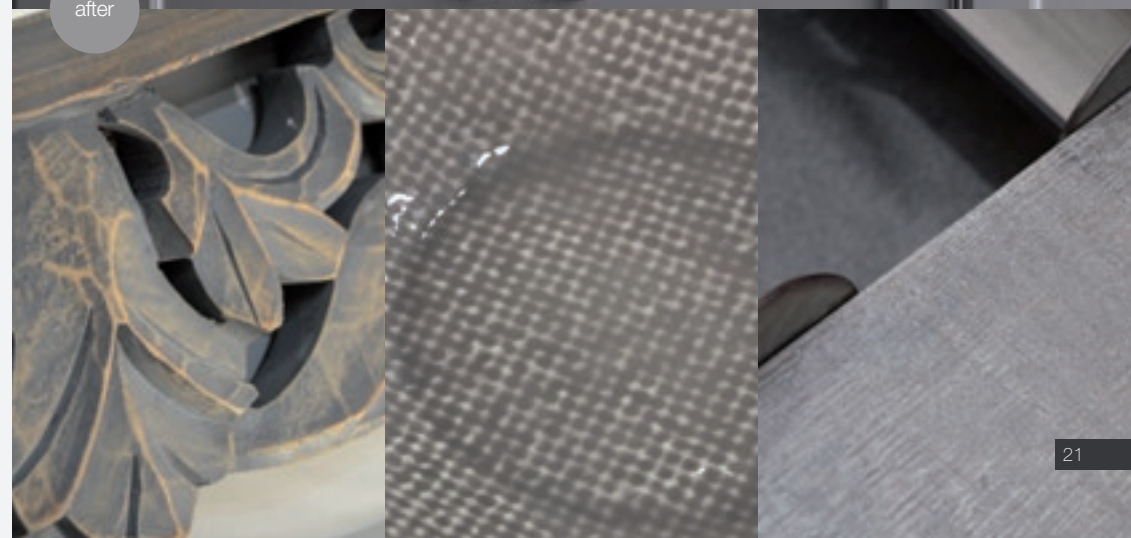

# Renovate the kitchen

Floor Prestige over tiles  
but also over stoneware  
and lacquered wood

Floor Prestige fits perfectly with kitchen tiles, because it creates a water-repellent barrier. It's also resistant to chemical agents, stains and scratches. With the tones of middle grey it is possible to realize decorations on top.

after

# CHARCOAL GREY

This shade mixes minimal applications with pure white, black and ecru tones. Charcoal Grey is a precious alternative to black. It recalls natural stones, slate, smoky grey glasses, dark titanium effect metals.

# Renovate the bathroom

Floor Prestige over ceramic  
but also over concrete  
and porcelain

Floor Prestige Charcoal Grey updates the creative language  
and allows to have the widest freedom in interpreting  
the bathroom in a new way.
