

NCS Box 2050

The ideal colour tool for interactive studio work and quality control, as it allows you to see the colours in a large format and helps you make a better colour judgement. Well suited for making colour decisions for larger surfaces and for visual colour assessments.

- Large A6 samples of all NCS 2050 Standard Colours.
- The best tool for efficient visual assessment.
- Useful in the assessment of any texture in any light.

HOW THE COLOURS ARE ARRANGED

- Organised according to hue.
- Indexing cards in matte laminated paper separating each hue.
- Each hue includes all nuances in the colour family.

COLOUR RANGE

Complete with the NCS 2050 Standard Colour range. In other words, a total of 2050 colours covering the human visibility of colour.

INCLUDED IN THE PRODUCT

- One A6 colour sample for each of the NCS 2050 Standard Colours (all of them can be refilled and ordered separately from nsccolour.com)
- NCS Notation printed on back of each sample.
- Black durable fabric cover (Brillianta) that provides protection against daylight damage on samples.

LANGUAGE

English.
